

# Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 23 July 1956

FROM : Chief, Orientation & Briefing/IS/TR

SUBJECT: *Items of Interest for the Period  
18 July 1956 to 23 July 1956*

1. *C/OB/IS was advised by the Marine Corps liaison office in Pentagon that the Commanding Officer has decided that the presentation by C/OB/IS at Cherry Point, North Carolina, on 25 July will be limited to approximately 70 persons, all of high rank.*
2. <sup>25X1</sup> *At the request of Mr. [ ] Editor of OTR Bulletin, C/OB/IS prepared an article for the Bulletin. This article, a copy of which was sent to Mr. [ ] for showing to the DDCI, was entitled "INTELLIGENCE has a STORY." The punch of the article is an effort to indicate how some of our programs might win friends for the Agency and influence people in such a way as to make them favorably inclined toward intelligence.*

3. *A fortunate switch took place throughout the week. Mr. William Calderwood of the Department of State advised C/OB/IS that it would not be feasible at this time to re-arrange the schedule of the Junior Foreign Service Officers so that they might be here on 27 July 1956 for a special program conducted by C/OB/IS. This change in tentative scheduling made it possible for us to arrange a special Introduction Program for that day, 27 July 1956. In fact, we expect a capacity house because of the tremendous influx of new personnel in the past few weeks.*
4. *In our discussions with the Security Office, it will be interesting to the Director of Training to know that the numbers of new people expected to attend our programs in the next few months will run very high.*
5. *C/OB/IS spent some time with Mr. [ ], Assistant to the DDCI, to help with ideas for incorporation in some of General Cabell's forthcoming speeches.* 25X1
6. *C/OB/IS received from the Strategic Intelligence School the request for speakers for the 38th class of the SIS. It is anticipated that we*

*will run into the usual difficulty encountered at this time of the year in trying to get the best person to cover each subject, since so many are on vacation.*

7. *Arrangements have been made for the Deputy Director/Support, Col. White, to make the introductory remarks at the Departmental Briefing.*

8. *Spent considerable time with persons from the Visual Aid Section in developing a new visual aid for use in many of the programs we conduct. After installation, a special credit line will be given on this item.*

9. *C/OB/IS appreciates the cooperation of Mr. [REDACTED] OTR Security Officer, and the support of the C/IS in assigning [REDACTED] to assist in the conduct of some of our programs.*
